New International Publications (2013-2014)

The section New International Publications aims to raise the awareness of the readership for the current international literature regarding music therapy, special music education and the wider field of music and health.

This section includes international publications of books and articles that have been published during the current and previous calendar year. Only texts written in English language are included.

This section is published in the second issue of each volume of Approaches. Relevant information for publication on Approaches can be sent to: approaches.editor@gmail.com
